

Leonidas Polk's Reply to Charles Barney's Complaints

Source: Leonidas Polk to Charles Barney, 2 December 1859, sent from Savannah, "Correspondence, 1859" folder, Charles Barney Papers, University Archives.

"My dear sir,

Your letter to Bp. Otey in Memphis has been forwarded to me here. I regret to learn you should have been so annoyed but you must tell those good people to have patience a little & all shall be well. I wrote a few days ago I would be at University Place by the 10th & all will then take measures to put all further trouble at an end.

In haste, etc.

Leonidas Polk"
